

Wayne Powell Benefit Golf Outing

In honor of the 42nd Anniversary of Summerfair and its proud Founder, Wayne Powell, we invite you to attend or donate to the Wayne Powell Benefit Golf Outing. Wayne was diagnosed with Alzheimer's in October 2013 and unfortunately, he now resides in a home that assists those with this terrible disease. Golf was one of my dad's favorite hobbies. My dad was very dedicated to the cause of **Community Cares** and the proceeds from this event will be donated to **Community Cares** in his name. Together we can honor a man who strived very hard to provide for his local community throughout his life.
